

College Application Summer Bootcamp

- Don't procrastinate! Jumpstart the college application process and enjoy your summer!
- Do not wait until the fall to begin your college application. Come join us to learn how to complete applications from a college admissions office's point of view.
- Did you know that application errors may result in rejection? It will amaze you at how many students DO make mistakes.
- Michelle Dixon, Founder of UECC will personally guide you through the application process, while teaching you to maximize every opportunity to shine and how to avoid common pitfalls.

By the end of the session, students will:

- ✓ Work one on one and in a small group to complete the **Common Application and the activities resume**.
- ✓ **Create Activity and Achievement portfolio:** A listing of high school awards, activities, and leadership roles.
- ✓ **Develop an Application Strategy:** Customize an application plan to maximize early acceptance.
- ✓ Learn tips for **writing a standout essay**.

*Complimentary Presentation for Parents
(45 minutes prior to student session)*
